The Lighthouse Trail

Thank you for your involvement in this year's art trail. Please find below some important information.

- We have two different lighthouses available this year. The large lighthouse is 1 metre high and has a base diameter of 30 cm; the smaller lighthouse is 50 cm high and has a base diameter of 16cm. The sponsorship fees are £60 (large) and £40 (small). Please note that we currently have a small number of larger lighthouses and these are being allocated strictly on a first come, first served basis.
- Your fee is a sponsorship fee and you will be asked to return your decorated Lighthouse for the Grand Auction at the end of the summer. Funds raised are used to provide grants for local community or charitable organisations
- Sponsorship fees not only pay for the Lighthouses that you decorate but also the production and distribution of over 10,000 leaflets with the details of sponsoring businesses and their artists. Please let me know details of your artist by the end of March at the latest.
- Your Lighthouse should be decorated and on display, in a prominent place, by May Bank Holiday Weekend (5th May 2018)
- There will be voting for the public's favourite Lighthouse. The winning artists will be announced on Auction Day Sunday 26th August.
- This year, each Lighthouse will be allocated a Scrabble letter, which will need to be displayed on or near the display area. A simple game akin to Junior Scrabble will be available for children, and a highly competitive highest score version for adults. However – to use a Scrabble letter the game player will need to be able to evidence where they found it! Further details will be circulated in April and will appear on the website.
- To facilitate all the Lighthouses being in place for the auction, you will be asked to deliver your decorated lighthouse to a central Cromer location during the week immediately following Carnival Week. Please make sure that you regularly check your e-mails for details from early August.
